- I will request an extension of my current CPT or submit a new CPT request if I need additional work authorization. - I understand I must update my current and permanent address in Jessup Student Portal within 10 days of any change. - I must maintain health insurance coverage for myself and my dependents. - I understand that no work may take place until the start date listed on the CPT I-20 issued. - I must maintain a 3.0 GPA or greater to be eligible for participation in CPT. If my CUM GPA drops below a 3.0 GPA my CPT will be revoked. - If I am placed on Academic Probation, I must meet the requirements outlined in the Academic Recovery Contract (provided by the Success Coaching department). Failure to do so will risk my CPT eligibility. - I understand CPT must be related to the Major/ program of study. CPT is not transferable between different programs of study (i.e. switching from MBA to MSCS). - I understand Jessup International Office limits CPT employment to no more than 40 hours per week and expects academics to be prioritized.
